WITH TEXAS AFT

Advocacy

Our union is the “most aggressive” voice for Texas public school employees. Not only do we fight back against threats to public schools, we fight forward to win the safe, supportive working and learning environments that educators and students deserve. **That’s why we’re demanding the Texas Legislature pass an Educator’s Bill of Rights.**

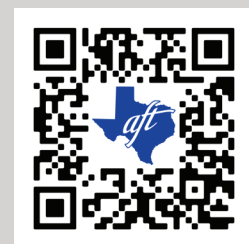

Benefits

You deserve to thrive both at work and in your personal life. Texas AFT offers a wide variety of benefits:

- **\$8 million Occupational Liability Insurance**
- **Local offices and staff representatives for direct member support**
- **Student debt relief programs**
- **Free educator-created lesson plans through AFT’s Share My Lesson**
- **Professional development opportunities**
- **AFT+ Member Benefits: discounts, services, and benefits that go beyond the workplace**

Support

Our fight to thrive is about creating sustainable working (and learning) conditions with more planning time, fewer added duties and paperwork, and resources to prevent burnout before it starts. **Our Bridges Institute for Professional Development works alongside our advocacy programs to give you the tools you need to protect your own well-being.**
